

Awards Play Leaders

sports (uk)

In Autumn 1 a Sports Coach visited our school to deliver a Play Leader Award to our year 6 pupils. Our Play Leaders now provide activities to other pupils during break and lunchtime.

As well as learning new leadership skills, our Play Leaders are given certificates, activity booklets and coaching log books

Here is an example of a play leader session:

Name of game: Bowl Ball Bonanza

Equipment needed: cones, soft large ball, markers

Age Range: Infant

Players have 3 attempts to try and bowl the ball to knock the skittles out of the marked area. The number of skittles can be increased to make it more challenging. Players score a point for every skittle they hit.
